The SOCRATES Class Attendance Screen installation file is a self-extracting archive. Follow the instructions below for proper installation.

Installing the Class Attendance Screen

1. Download the installation file to your PC, saving it to *My Downloads* or a similar folder.
2. Using My Computer or Windows Explorer, open the download folder.
3. Locate **SocClsAttScnWin.EXE** and double-click it to start the WinZip Self-Extractor.
4. The "Unzip to folder:" box shows **C:\My Downloads**. If this is not the name of your download folder, or if you want the files to be saved elsewhere, type an alternate drive letter and/or folder name. (NOTE: If the folder you specify does not exist, the WinZip Self-Extractor will create it.)
5. Click "Unzip" to process the file.
6. To install the Class Attendance Screen, click Start | Run, then type **Setup** preceded by the folder name (e.g., **C:\My Downloads\Setup**) and click OK.
7. Follow the prompts to complete the installation.

Note: You may also download the Class Attendance Screen in two self-extracting files that will fit on 3½" diskettes. [Click here](#) for diskette download and installation instructions (opens a separate window).
